Dear Paul,

Thank you for your letter dated September 29, 2016 on behalf of the RAC recommending additional Title II projects. I have reviewed the prioritized list of projects and accept your recommendations. I will work with my staff to identify and implement the projects based on Title II funding available and what will be the highest priorities for the forest.

Thank you for your commitment to the RAC. I appreciate the efforts of the RAC members and look forward to their continued involvement in project monitoring site visits.

Sincerely,

*/s/ David Whittekiend*
